### **Imperial County Area Agency on Aging is Now Accepting Applications – Alternate At-Large Advisory Council Member**

The Imperial County Area Agency on Aging (ICAAA) announced that it is accepting applications for an Alternate At-Large member position on their Advisory Council. Currently, the ICAAA has one (1) vacant Alternate At-Large member position; such persons would be representative of senior interest from the community at large, as selected by the Advisory Council.

The Imperial County Area Agency on Aging Advisory Council serves to advise the ICAAA regarding issues important to Imperial County seniors and their caregivers. The Advisory Council members support the ICAAA with the following purposes: annual public hearings, needs assessments, recommendations, program monitoring, and advocacy.

The composition of the Advisory Council is prescribed in the laws and regulations of the Older Americans Act (Federal), as amended, and the Older Californians Act (State). All members are responsible to participate, as fully as possible, in all activities of the Council, including the development, revision, and approval of the Area Plan. Each member is required to serve on at least one committee and attend scheduled meetings of the Advisory Council.

Interested individuals may find the application online at [www.aaa24.org](http://www.aaa24.org) or at the Imperial County Area Agency on Aging office, located at 778 West State Street in El Centro. Applications are due by Friday, December 9, 2022, and elections are expected to be conducted during the regularly scheduled Advisory Council Meeting in January 2023.
